Memorial Planner

Memorials can be of many types. This planner might need to be adapted for different types of projects, but it should help you get started on a project.

Memorial concept:

Location for memorial:

Symbolism in memorial:

Materials required (estimate costs):

Project notes (permits required, special skills, long-term maintenance, safety and health considerations, etc.)

Funding ideas:

How will this memorial promote remembrance of the Bataan ordeal?

Sketch:
